The task involves connecting 18 circles in a specific sequence. The circles are arranged in a roughly circular pattern. The starting point is a green circle with the number '1' labeled 'Start' below it. The sequence proceeds as follows: 1 (green) to A (light blue) to 2 (green) to B (light blue) to 3 (green) to C (light blue) to 4 (green) to D (light blue) to 5 (green) to E (light blue) to 6 (green) to F (light blue) to 7 (green) to G (light blue) to 8 (green) to H (light blue) to 9 (green) to I (light blue) to 10 (green) to J (light blue) labeled 'End' below it. The circles alternate between green and light blue colors.
